Job Title | Learning Support Mentor  
---|---
Date | June 2019  
Department | Learning Support  
Reports to | Head of Learning Support/SENCO  
Responsible for | Providing child specific learning support in mainstream classes.

**Purpose of the Role**

To support pupils on a one to one basis in mainstream lessons to ensure they are able to access learning in the same way as their peers with the correct guidance and intervention and dependent entirely on their learning need.

**Departmental Information**

The Learning Support Department delivers a wide range of interventions for students who are having difficulty accessing the school’s curriculum and who need support to make good progress in their learning.

Support is given to students who are experiencing a range of learning difficulties, behavioural, emotional and social difficulties and physical impairments.

**Main tasks and responsibilities**

**Support for Students**

To establish a good working relationship with the pupil to support them in 1:1, small group and class activities across the curriculum and the wider school environment. This may include swimming, games, breaks and lunchtimes.

Develop an understanding of the needs and targets of the students supported. Motivate and encourage the students

To deliver a teacher directed curriculum and work alongside the teaching staff to devise and implement individual learning plans.

To minimise barriers to learning and maximise pupil participation to promote the pupil’s academic, social, emotional and behavioural development.
Enable the students to engage in the lessons using appropriate techniques such as: clarifying teacher’s instructions, simplifying tasks or resources, helping the student stay on task, scribe or read as needed.

To take a lead role in the pastoral welfare of the pupil and assist in their social, health, hygiene and emotional development.

To supervise the pupil on visits, trips and out of school activities as required and contribute to risk assessments and ensure effective implementation.

Assist the teacher with the development and implementation of Individual Education / Behavioural / Support / Mentoring plans and strategies.

To help the pupil manage and resolve conflict by using a variety of strategies.

To observe, evaluate and monitor pupil progress. Provide feedback to students in relation to progress and achievement under the guidance of the teaching staff.

To work with other professionals, attend and participate in multidisciplinary meetings and contribute to the sharing of information and/or planning in relation to the pupil.

Share good practice and techniques with other staff.

To help with the preparation of differentiated work for SEN students.

**Support for Staff**

Use strategies, in liaison with the teacher, to support the students’ learning outcomes.

Assist with the planning of learning activities as required.

Monitor the students’ responses to learning activities and accurately record achievement and progress as directed and provide regular feedback to teachers on students’ achievements, progress and problems.

Promote good student behaviour, dealing promptly with conflicts and incidents in line with school’s policies and in conjunction with the appropriate teaching staff.

Administer routine tests and help deliver examination access arrangements (reading, transcribing, scribing) for students.
Supporting the School

Participate in all aspects of school life.

Be aware of and comply with school policies and procedures.

Reinforce the standards and expectations that exist within the school.

Ensure that confidentiality is maintained at all times.

Promote the positive image of the school within the local community.

Participate with the school’s appraisal process.

Attend any professional development opportunities provided, within or outside of school, to develop experience and broaden awareness.

Attend briefing meetings as directed.
